You have no idea how proud we are of you. We can't wait to see you conquer your dreams. As you journey into adulthood, may you continue to make us proud. Go forward in life with a twinkle in your eye and a smile on your face, but with great and strong purpose in your heart. Tonight you dance your final 8 count on the stage that has been your home for the last 13 years. From our tiny dancer to the Captain of the team you love so much. Tears of joy will fill our eyes as you take the stage for the last time tonight with your fellow Sweethearts to your left and to your right. For the last time..... Good luck pretty girl, your music is on.
